Re: Return of Permit Area Expansion (Summit Creek Revision), Andalex Resources, Inc., Centennial Mine, C/007/0019, Task ID #1909, Outgoing File

Dear Mr. Glasson:

The Division received your application for the above-referenced permit area expansion on April 8, 2004. We are returning it due to your request to withdraw the revision. Three copies that were submitted to our office are enclosed, with the exception of the PHC. The PHC for the Mathis Tract will remain in our office to be reviewed under Task ID #1919, which is your request for adding approximately 92 acres to the Centennial Mine as an Incidental Boundary Change.

If you have any questions, please call me at (801) 538-5325.

Sincerely,

Daron R. Haddock
